

mtk::Lap1D::data

```
graph LR; A[mtk::Lap1D::data] --> B[mtk::DenseMatrix::data]
```

A diagram illustrating a data flow. On the left, a gray rectangular box contains the text 'mtk::Lap1D::data'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mtk::DenseMatrix::data'. Both boxes have a black border.

mtk::DenseMatrix::data
