

mtk::Lap1D::Data

```
graph LR; A[mtk::Lap1D::Data] --> B[mtk::DenseMatrix::data]
```

A diagram showing a mapping from `mtk::Lap1D::Data` to `mtk::DenseMatrix::data`. The left box is shaded gray, and the right box is white. A blue arrow points from the left box to the right box.

mtk::DenseMatrix::data
